

SINGLE RAFFLE TICKETS TYPESETTING GRID

IMPORTANT INFORMATION ABOUT CREATING FILES FOR YOUR JOB

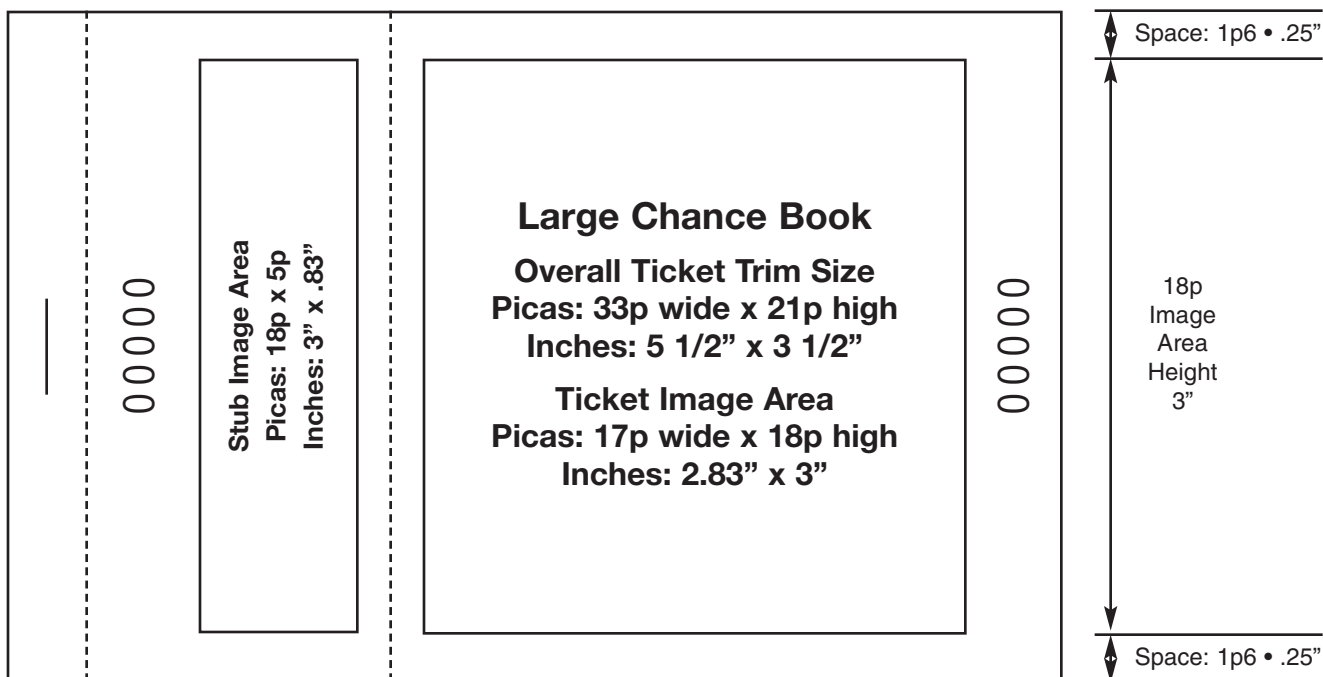

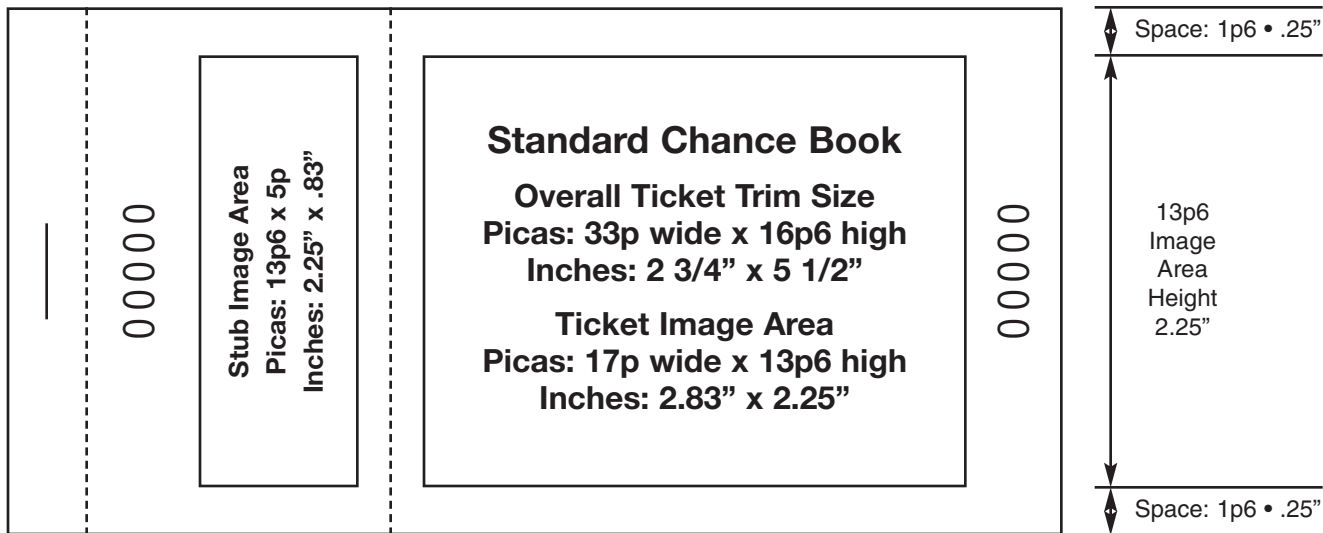

- We print all jobs using Macintosh Computers
- All files, regardless of format, should have type and graphics colored Black
- We accept Quark XPress files. Be sure to include all Macintosh fonts and graphics used in the file.
- We also accept Adobe Illustrator files. All type should be saved as outlines and file saved with Macintosh preview.
- We can also accept files in the following formats:
.PDF - .EPS - .TIF
- Use of tints and screens should be kept to a minimum due to quality considerations. We output at 600 dpi emulation.

**PLEASE DO NOT INCLUDE CROP MARKS
OR FPO PERFORATION LINES OR NUMBERS**
